BOSTON DEMOCRATIC SOCIALISTS *of* AMERICA

DEMOCRATIC SOCIALISTS OF AMERICA AT PRIDE

About Boston DSA

Boston DSA is organizing to build a mass socialist movement rooted in democracy for all. We see oppressions such as economic inequality, patriarchy, and white supremacy as interlinked, intersecting, and inseparable. **We fight for:**

- **THRIVING WORKING CLASS COMMUNITIES**
  Mass-Care for All, Ending the War on Drugs, College for All, Housing for All, Childcare for All, Fast and Free T
- **AN ECONOMY FOR THE WORKING CLASS**
  Unions for All, 32-Hour Work Week, Green New Deal, and Taxing the Rich
- **NO WAR AT HOME, NO WAR ABROAD**
  Free Palestine, End the U.S. War Machine, No More Economic Warfare, Free People and Abolish ICE
- **WORKING-CLASS DEMOCRACY**
  Universal Suffrage, A Representative State Legislature, Popular Vote for President, Reduce Supreme Court Powers

Queer Solidarity

Our fight for liberation as queer people and workers is one and the same. Healthcare for all means HRT for all. Universal childcare supports families with two working moms. Unions protect workers from bigoted bosses. Rent control keeps queer neighborhoods alive and together. The working class must unite to create a better world by fighting for racial justice, disability equity, and queer liberation. **An injury to one is an injury to all.**

THE MOVEMENT THAT BROUGHT YOU

Alexandria Ocasio-Cortez, Zohran Mamdani, Rashida Tlaib, Chris Pappas, and many more. **Will you help us elect the next Zohran?**

NO PRIDE IN GENOCIDE

PINKWASHING *noun*

Attempting to benefit from purported support for LGBTQ+ rights to deflect attention from harmful practices.

Pride didn't always have Delta & McKinsey floats. It began as a radical protest, but as it grew corporations saw a chance to co-opt queer liberation as cover for their harmful practices. **Boston Pride consistently accepts sponsors that union-bust, fund ICE detention centers, and execute genocide in Gaza.**

Capitalist oppression and colonial violence cannot offer safety or protection, especially for the queer community. We must not allow genocide to happen in our name. Pride must return to its radically queer roots and once again be truly for the people.

Fenway Health:

A Wasted Legacy...

Fenway Health was founded to provide LGBTQ+ healthcare and has spent decades earning the trust of Boston's queer community. Yet when faced with authoritarian efforts to deny trans people medical care, it became one of the first organizations in the country to abruptly stop offering healthcare to trans youth.

The effort to eliminate trans people by criminalizing affirming care follows the same playbook used against gay people during the AIDS crisis: denying care and abandoning vulnerable communities. It is a travesty that Fenway will not stand against this attack as it once did.

By abandoning some of the most vulnerable members of our community, Fenway has chosen cowardice over leadership. They deserve no peace from our outrage until they reinstate lifesaving queer healthcare for all who need it.
